FEDERAL TRADE COMMISSION
RECEIVED DOCUMENTS
P894219
AUG 15 1997
B21902700868
SECRETARY

Sir,

After reading that the FTC proposed draft, that items that are substantially made in the USA could carry the "Made in the USA" ~~label~~ label, I was dissappointed. All citizens (US) and their elected officials should do all they can to back the USA.

I hope you do the same.
