To Whom It May Concern

If the bill now before you is allowed to pass small retailers such as we are will be a thing of the past.

They have (large chains) already low balled prices on our product (C.D.'s & TAPES) and driven hundreds of smaller stores and some chains out of business.

If there is no regulation of them they plan to sell at cost and below to capture the rest of the market. This seems highly unfair and smacks of monopoly in my estimation. Please allow M.A.P.P. to regulate prices.

Thank you
