Certified Privacy Protected Pop-up

The following is a seal pop-up box which is displayed once a company has met the Privacy Protected certification guidelines.

The image shows a rectangular seal with a black header. The header contains the ControlScan logo on the left and the text "Verified Site" in a large, bold, white font on the right. Below the header, the text "WEBSITE NAME: domainname.com" is displayed in a smaller font. The main body of the seal contains three paragraphs of text: a bolded section header "PRIVACY PROTECTED CERTIFICATION:", a paragraph describing the certification process, a paragraph about shopping in confidence, and a final paragraph titled "About ControlScan." describing the company's role in e-commerce security.

ControlScan Verified Site
