ORDER RESETTING FINAL PREHEARING CONFERENCE

On December 15, 2023, the parties filed a Joint Motion to Reschedule the Final Prehearing Conference (“Joint Motion”). The parties state that, in light of the Commission’s recent order continuing the trial until January 18, 2024, extending the date of the final prehearing conference will align it with the Part 3 trial schedule, will avoid unnecessary waste or confusion associated with holding a prehearing conference well in advance of the scheduled trial and associated pretrial deadlines, and will allow the parties to fully address any topics that may arise at trial.

Based on the foregoing, the Joint Motion is GRANTED. The Final Prehearing Conference, previously scheduled for December 19, 2023 at 1:00 p.m. Eastern Time, is hereby rescheduled to January 17, 2024 at 1:00 p.m. Eastern Time and will take place virtually via video conference.

To the extent practicable, members of the press and public will be allowed to access the proceedings of the conference via a public call-in number. Interested parties are directed to check the Office of Public Affairs section of the Federal Trade Commission (“FTC”) website or contact the FTC Office of Public Affairs for call-in information.

ORDERED:

D. Michael Chappell
Chief Administrative Law Judge

Date: December 18, 2023
