"THE KEY TO THE FUTURE . . . CONSERVING THE COMMITMENT

July 28, 1997

Office of Secretary Fed. Trade Comm.
6th & Pennsylvania N. W. Rm. 159
Washington, D.C. 20580

Dear Secretary for Rule Making:

I am aware of the devious intent to change the "labeling" laws of this country, and I am very much against it.

My position is that this is a subtle attempt to hide any veracity of labels that -say "MADE IN THE USA" and to further subvert the national interests of our workers. The continued schemes to internationalize nearly everything while we continue to export jobs to near slave-labor type salaries in 3rd world nations should be stopped! Please register my opposition on this propped RULE MAKING ON LABELS.

Thank you.
