Secretary Donald Clark
Federal Trade Commission
6th. & Pennsylvania, N.W.
Room 172
Washington, D.C. 10580

Dear Mr. Clark,

I would like to express my opinion on the Made in The United States label. If a product is not made here it shouldn't be eligible for the Made in The United States label. It would be an injustice to the American people to change the rules in any way.

Our forefathers would turn over in their graves if they knew what was happening to our country by greedy Special-interest groups.

Sincerely,
Delbert M. Richardson
