Re: In the Matter of Daniel Chapter One, Docket #9329

Dear Sirs:

Please find with this letter compact diskettes with copies of audio files. These files have been provided to Respondents' Counsel by Complaint Counsel and identified as Exhibits CX 3, CX 4, CX 6 and CX 7. Please include them as exhibits to Respondents' Motions *in limine* to Preclude Complaint Counsel from Introducing the Testimony of Ms. Lynne Givens Oppie at Trial, to Exclude Recordings and Transcripts of Radio Programs, Accent Radio Network Web Page, and Respondents' Educational Material. The motions and documentary exhibits were transmitted separately.

In addition, please find the Certificate of Service for the enclosed compact diskettes and the Respondents' two motions *in limine* sent separately.

Sincerely,

Swankin & Turner

products, is offered to give testimony that does not have any tendency to make the existence of any fact that is of consequence to the determination of this action more probable or less probable than it would be without the evidence. For this reason alone Ms Oppie's testimony is not relevant and should be excluded.

Respondents move this Court to exclude Ms. Oppie's evidence both because of its lack of relevance and because of the failure of Complaint Counsel to disclose her proper contact information prior to the close of discovery.

II. Motion to Exclude Radio Show Recordings and Transcripts (CX 3- CX 8) and Accent Radio Network's Web Page (CX 32)

Respondents move to exclude recordings and transcripts of Daniel Chapter One radio shows because they are not advertisements or promotional material and do not consist of commercial practice or activities. Rather they are free ranging conversations between DCO's leadership and its community that are of an educational nature and consist of constitutionally protected religious and political speech. In addition, they are of no probative value in ascertaining whether Respondents have failed to provide substantiation for statements made about the products in question and therefore violated Sections 45 or 52 of Title 15 of the US Code.

In particular, Complaint Counsel seeks to introduce four hours of radio broadcast while Respondents have broadcast more than 3000 hours of educational, religious and political information during the six years that the FTC has identified as being of interest concerning statements made for the four products upon which it has focused. Complaint Counsel has made no indication of why these four hours, consisting of two programs, should be evidence or how these two programs affect the "overall net impression" created by the other 3000 or so hours of broadcasting.

Respondents also move to exclude the Web page from Accent Radio (CX 32) which is an introduction to and description of the creation of Accent Radio Network that has no apparent relevance to the issues in this case.

III. Motion to Exclude Respondents' Educational Material

Respondents move to exclude four educational documents: 1) Bioguide (CX 21), 2) The Truth Will Set You Free (CX 22), 3) How to Fight Cancer is Your Choice, Cancer News Letter Millennium Edition (CX 23) and 4) How to Fight Cancer is Your Choice, Cancer Newsletter 2004 (CX 24). These documents are educational, political and religious in nature and do not constitute advertisements, promotional material or other commercial activity. They are offered for a donation and are given away to any who request them. Individually they set out Respondents' philosophical, moral ethical and religious views concerning the right of individual patients to choose how they respond to diagnoses of diseases including cancers. Collectively they form a small, and not necessarily complete, part of the extensive activities undertaken by Respondents-- including dozens of trips across the country involving hundreds of personal appearances-- in advancing their social, political and religious arguments for health freedom.

Respondents do not claim to sell drugs. Rather they make available, for free or for donations, educational materials and herbal dietary supplements that strengthen the immune system to—in the past six years—between one and two thousand individuals who share their beliefs about nutrition and most of whom share their religious orientation. They are avowedly involved in a health freedom public policy political campaign, based on their reading of the Bible, which challenges the dominant assertion that drugs, radiation and surgery are the only, or even the best, way to treat cancer and other disease.

To the contrary, they assert that strengthening the immune system before, during or after a disease (including cancer) strikes is the surest way to prevent serious damage and ensure healthy outcomes. The documents in question, which form a miniscule part of Respondents' ministry, are devoted to this mission. The herbal supplements whose presentation by Respondents' is attacked by the FTC are an extension of this overall public campaign. The educational documents proposed as evidence for the FTC to rely on barely scratch the surface of Respondents' overall undertaking and by themselves provide virtually no, if any, insight into the issue of substantiation for statements made about the four herbal supplements by Respondents that lies at the heart of this case.

The herbal supplement products created by Respondents and made available to the members of their community are a concrete expression and extension of the political, religious and health freedom campaign they are waging and have been waging for the past twenty or so years. Complaint Counsel's selection of these documents from the overall campaign of Respondents is irrelevant to the substantiation question and presents a biased and misleading picture of Respondents' activities.

For these reasons Respondents move to exclude the education material (CX 21 through CX 24) on which Complainant Counsel seeks to rely.

Conclusion

For the foregoing reasons, Respondents move to exclude the testimony of Ms. Lynne Givens Oppie and to exclude recordings and transcripts of radio programs, the Accent Radio Network Web page, and Respondents' educational material.

(HR 1, Track 1)

MALE ANNOUNCER: It is our mission to glorify Jesus Christ by sharing time-tested knowledge about herbs in His creation. You're listening to Daniel Chapter One Healthwatch.

(Music playing.)

JIM FEIJO: Hi, I'm Jim Feijo.

TRISH FEIJO: And I'm Trish Feijo. We're Daniel Chapter One, and you're listening to Healthwatch, bringing you the truth in God's creation.

JIM FEIJO: Don't believe the lie, don't die. Husbands protect your wives from the evil FDA. Protect your kids from Dr. Dumb-Dumb.

TRISH FEIJO: There is a solution to every health problem and it's not chemical drugs, surgery or radiation.

JIM FEIJO: Listen to Daniel Chapter One Healthwatch where the truth will set you free.

TRISH FEIJO: Stay tuned and we'll help you cut through the confusion of medical madness.

JIM FEIJO: This is Daniel Chapter One Healthwatch, I'm Jim Feijo and I just pulled some

6 TRISH FEIJO: Honey, that's morbid.

7 JIM FEIJO: Well, I have to keep one.
8 Somebody's got to let people know how many people are
9 dying because of the FDA approved drugs. Well, here's
10 Orthro Evra Patch, folks, 50 deaths attributed to the FDA
11 approved drugs. Well, it's still on the market. And how
12 about the fact that you have individuals taking these
13 painkillers?

14 And one -- it's called one-pill killers or one
15 dose killers, such as opiates and opioids. These things
16 can lead to death. Ninety-one deaths in children.
17 Pediatric deaths are on the increase. They have no idea

19 of these substances is causing significant toxicology.
20 And this is showing up as an increase in D-E-A-T-H. More

22 Now, we haven't touched the fact of people
23 dying because they're taking heart medication, passing
24 out, losing consciousness, driving through crowds and
25 killing people all over the country. Nah, this will just

2 JIM FEIJO: Well, they can call about anything.
3 Tell them, about anything. Trish, you see this thing,
4 tell everybody -- they can't see because this is radio
5 now. But if this wasn't radio and it was TV --

6 TRISH FEIJO: Right.

7 JIM FEIJO: -- they could see -- or maybe web
8 TV, maybe we need to get web cam and they could see that
9 I'm holding a big, huge three-inch wide leaf -- three
10 leaf notebook. Okay?

11 TRISH FEIJO: Yes.

12 JIM FEIJO: Looseleaf notebook. And it's
13 filled. You know what it's filled with, Trish?

14 TRISH FEIJO: I do know.

15 JIM FEIJO: Tell people, tell people.

16 TRISH FEIJO: Testimonies.

17 JIM FEIJO: Testimonies.

18 TRISH FEIJO: That we've received from people.

19 JIM FEIJO: Testimonies of people --

20 TRISH FEIJO: And I can see that they're in
21 categories and maybe we need a GDU, BioShark and 7 Herb
22 category although --

23 JIM FEIJO: I think we have to break it down
24 because there's too many. Well, anyway, folks, we've
25 never, never decided to keep these testimonies of people

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 over the 20 years we've been doing this.

2 TRISH FEIJO: No. The only thing that we did
3 with each BioGuide was people at the time that he shared
4 great results with us by calling into the radio or
5 calling the order center, we contacted them and, you
6 know, basically, I interviewed them and in their words
7 took down the testimony so that we could put it in the
8 BioGuide to share with other people.

9 JIM FEIJO: But --

10 TRISH FEIJO: But we've never done an all-out
11 effort like this --

12 JIM FEIJO: No, because we're not here trying
13 to promote ourselves, we're just trying to promote truth
14 in everything else.

15 TRISH FEIJO: Right.

16 JIM FEIJO: Well, the FTC, the FDA, the
17 Canadian Government don't like the fact that we've told
18 people about what to do about natural methods of health
19 and healing, especially for cancer.

20 Well, here's a gentleman right here, and I have
21 his two lab reports here, okay, three lab reports, and
22 it's pretty interesting, folks. You can see them for
23 yourself. Here it is. This is simply -- not even a year
24 later. It was January 30th, 2008, to June 18th, 2008.
25 Only six months, not even six months, Trish.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: Yes.

2 JIM FEIJO: And the last report says no
3 evidence of thoracic metastatic disease or other activity
4 related to pulmonary disease. Pretty amazing, isn't it?
5 Six months, and the government doesn't want us to tell
6 you that, folks. They just want you to die and tell you
7 to go do chemo and radiation with some nut oncologist.

8 TRISH FEIJO: They don't want us to tell you
9 that.

10 JIM FEIJO: That's right.

11 TRISH FEIJO: And I'm thinking that people with
12 these great testimonies, they want you taking your great
13 testimony to the grave. They want your story hushed up.
14 In a free country, that just shouldn't be the case, to
15 say the least. And that is awesome. And I also was
16 thinking that a chronic illness -- doctors don't expect
17 to get better, they expect to get worse.

18 JIM FEIJO: They expect you to die.

19 TRISH FEIJO: And if months later you're even
20 right at the point you started, just kind of status quo,
21 if they had a drug to do that, they would think that's
22 terrific. And really, that's all that they're trying to
23 do, you know, especially in cases of cancer. But we
24 actually see person after person after person get better.

25 JIM FEIJO: Prostate cancers, brain tumors, on

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 and on and on, and the government wants us to not let
2 anybody know about these.

3 TRISH FEIJO: And I guess we need medical
4 documents as much as possible because in all likelihood
5 the FTC will be quick to say, well, that's just anecdotal
6 evidence and/or they're going to say, well, it must have
7 been a misdiagnosis because oftentimes, that's what even
8 the doctor says, the person is cured naturally, the
9 doctor can't believe it, doesn't want to agree to it, and
10 so, he'll say, oh, that must have been a misdiagnosis. I
11 don't think you had cancer after all.

12 JIM FEIJO: How about --

13 TRISH FEIJO: What?

14 JIM FEIJO: How about this one? How about this
15 one? The boy writes in, I'm 16 years old. I've had many
16 surgeries on my left eye. My left eye was removed after
17 these surgeries in 2005. Since the surgery, my left
18 upper eye -- blah, blah, blah -- swollen. Everything the
19 doctors have tried, none have helped me get better. He
20 says, it keeps getting worse. I began taking Daniel
21 Chapter One 7 Herb Formula and the GDU about a month ago.
22 The swelling has gotten better on my upper and lower
23 eyelids. I feel really good. When I was about ten, I
24 fell off my bike and hurt my knee. I never felt right
25 and it continues to hurt. Since taking Daniel Chapter

1 One products, that went away, too.

2 This is a 16-year-old boy who's had his eye
3 removed because of the evil doctors and the evil
4 government that doesn't want anybody to know about God-
5 given nutrients like 7 Herb, GDU, BioMixx, BioShark. It
6 is the work of Satan. And we need your voice. We need
7 you to help us. If you can support us financially,
8 great. You know, a lot of people say they will, great,
9 that's terrific. You buy our products, that can help us,
10 too. Please go to our centers.

11 And it's amazing, Trish. Even some of our
12 centers, without my knowing, have sent in money, and
13 that's pretty incredible because some of them really are
14 just Daniel Chapter One purists, you know?

15 TRISH FEIJO: Yes, I know.

16 JIM FEIJO: And those are the ones that are
17 actually doing it, the purists, the ones that are just
18 carrying Daniel Chapter One products. They're the ones
19 that have sent help. That's amazing, you know?

20 TRISH FEIJO: Yep. And right now, Jim, let's
21 go to the phone lines. We do have a caller. We have
22 Terry in Independence, Missouri. Hi, Terry.

23 TERRY: Hello.

24 TRISH FEIJO: Hi, there.

25 JIM FEIJO: Hey, Terry, welcome.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TERRY: I called you guys about a year and a
2 half ago and like after six years of treatment from the
3 VA for the bad colon thing and chemo and all this and
4 losing 60, 70 pounds, I tried you all's products. And
5 I'm telling you, I'm going to live to be 150 years old.

6 JIM FEIJO: Well, Terry, we don't want you to
7 live that long. I want you to be home with the Lord.
8 You're wasting too much time on earth there, man, you
9 know?

10 TERRY: I'm having too much fun now.
11 (Inaudible) buddy. And I've got a question.

12 TRISH FEIJO: Yeah.

13 TERRY: My daughter and grandbabies get bad
14 fever blisters and cold sores. What can I order from
15 your products to help them?

16 TRISH FEIJO: Okay. The -- they need to boost
17 the immune system, clearly, and one way to start doing
18 that is with the Biotropins and IG Factors. And they --
19 the IG Factors is somewhat anti-viral. Again, we're
20 working on the real foundational support for the immune
21 system with Biotropins and IG Factors. Then specific to
22 any cold sores, fever blisters, they -- any time they get
23 an outbreak, they can put the Ezekiel First Aid Oil
24 directly on that. Full strength, just put it right on,
25 especially at the very beginning. If it just starts to

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 form, you feel the tingling, but that's right on.

2 TERRY: Ezekiel what?

3 TRISH FEIJO: Ezekiel First Aid Oil

4 JIM FEIJO: Ezekiel Oil.

5 TERRY: Okay, great.

6 JIM FEIJO: You've got --

7 TRISH FEIJO: Yeah, it's anti-viral and it will
8 dry those right up. And the other thing is the Echinacea
9 root. I like the tincture, we also have it in capsules.
10 That with the BioC and Lysine can be taken on a daily
11 basis and that's going to prevent recurrence. And over a
12 period of time, they should definitely be able to cut
13 back and then not use the products and not have this
14 problem.

15 TERRY: Fantastic.

16 TRISH FEIJO: You know, we're looking to
17 ultimately get the body to cure it.

18 TERRY: Okay. Biotropins, IG Factors, Ezekiel
19 First Aid Oil, Echinacea root, BioC --

20 TRISH FEIJO: Yeah, the Ezekiel's for topical.

21 TERRY: -- and Lysine.

22 TRISH FEIJO: Yeah, and I mentioned a few
23 things. There's so many things. Even Genesis Oil
24 internally. But the Echinacea root is anti-viral and it
25 boosts the immune system. BioC is anti-viral. And I

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 mentioned the Lysine because it also works to oppose
2 arginine which is the main food for a virus.

3 JIM FEIJO: Any viral -- any viral substance,
4 the primary food is arginine and Lysine will counteract
5 that in opposition to that. So, therefore, it helps
6 reduce the food supply, and by reducing the food supply,
7 you are preventing it from continuing to prosper or
8 colonize, you see?

9 TERRY: Uh-huh. Great. Well, guys, thank you
10 very much for sharing all your secret tricks with me.

11 JIM FEIJO: Hey, I got to ask you a question.

12 TERRY: (Inaudible).

13 JIM FEIJO: You went -- let me ask you a
14 question. Recently, did you try to get a -- take your
15 code and get a free BioGuide?

16 TERRY: Well, I never got a code. When I
17 called you a year and a half ago, I hung up before I got
18 the code and they wanted me to pay 15 bucks for a
19 BioGuide and I didn't want to do that.

20 JIM FEIJO: When was that?

21 TRISH FEIJO: Oh, gosh.

22 TERRY: Well, a year and a half ago, a year
23 ago.

24 JIM FEIJO: Oh, all right. Well, hold on,
25 we're going to give you a code. They should give you one

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 without a problem, okay?

2 TERRY: Okay. (Inaudible).

3 JIM FEIJO: Where do you usually get your
4 products?

5 TERRY: KCXL Bookstore, Independence. It's a
6 good place.

7 JIM FEIJO: Well, you hang on right now. The
8 producer is going to give you the code, Terry.

9 TERRY: (Inaudible).

10 JIM FEIJO: And then you just bring that code
11 in there and just let me know immediately if you have --
12 don't get one, okay?

13 TERRY: Yes, sir. Thank you all very much.

14 JIM FEIJO: But I need you to call me back and
15 let me know immediately whether you got one because I'm
16 going to check up on it. I need you to get one because
17 other people should get them. They should all be getting
18 them for free. You go into any of our stores, they
19 should be free.

20 TRISH FEIJO: We also need your testimony,
21 Terry, if you don't mind.

22 JIM FEIJO: Yeah, yeah, we need to get your
23 testimony, all right?

24 TERRY: My testimony?

25 JIM FEIJO: Yeah, you hang on. I'm going to

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 have one of the girls at our end just touch base with
2 you, okay?

3 TERRY: Okay, sir. Thank you.

4 TRISH FEIJO: Hold on, don't hang up. Thank
5 you so much, Terry.

6 JIM FEIJO: You get the code, too.

7 TRISH FEIJO: Um-hum.

8 JIM FEIJO: Orem, Utah (inaudible) 101 from out
9 there.

10 TRISH FEIJO: First time caller. Hi, Ben.

11 BEN: Hello, how are you?

12 TRISH FEIJO: Good, thanks.

13 JIM FEIJO: We're doing great. How are you?

14 BEN: Good, good. I have two questions this
15 morning.

16 JIM FEIJO: Yes.

17 BEN: One is I have a lot of severe
18 constipation.

19 JIM FEIJO: Yes.

20 BEN: And I was wondering what -- I have one of
21 the guides and -- but I need some help on what -- what
22 would be the best.

23 JIM FEIJO: Okay. First of all, no medications
24 I can assume?

25 BEN: No.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: Okay. Avoiding tap water unless
2 you remove the fluoride and the chlorine.

3 BEN: Okay.

4 JIM FEIJO: All right? You can check out
5 our -- one of our locations out there to make sure -- if
6 they don't have water filters, you can call the 800
7 number. They've got a tremendous sale. It's the same
8 price as our workers here get it for, okay?

9 BEN: Okay.

10 JIM FEIJO: So, it's a great deal. We're
11 trying to get it and move them out of the warehouse
12 because we're hoping to build a new place. In the
13 meantime, you can get the best water filter there is to
14 remove fluoride and chlorine. It's not a reverse osmosis
15 or distillation, but you want to do that because the very
16 things we need to re-colonize, your GI tract, which will
17 be destroyed if you don't remove those chemicals, okay?

18 BEN: All right.

19 JIM FEIJO: So, you want to, first of all, get
20 A&B Biotropins, IG Factors.

21 BEN: Okay.

22 TRISH FEIJO: Yeah, and that's just important
23 for a healthy GI tract, including bowel function. And
24 sometimes that alone is going to help with constipation.
25 If you continue to have a problem, there is some other

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 wonderful things that can be utilized, including herbs
2 and inositol, which is a B vitamin. But we also -- a lot
3 of people are constipated for lack of fiber and there's
4 two main types of fiber, water soluble and insoluble, and
5 an excellent, very gentle fiber to begin with is our
6 apple pectin.

7 BEN: Yeah, I read about that.

8 TRISH FEIJO: And it's going to support while
9 you're taking the biotropins and IG Factors, it will
10 support what you're doing with those products as well.
11 So, that's a good place to start. Apple pectin and you
12 can do one scoop twice a day and you just throw that
13 right into water. It tastes kind of applely. You drink
14 it right down. And then you can continue to the other
15 things --

16 JIM FEIJO: Yeah, it tastes kind of applely?
17 It tastes like a crushed apple. What do you mean, kind
18 of applely? Hey, you know what, Ben, it tastes just like
19 a crushed apple.

20 BEN: Oh, I'll like it then.

21 JIM FEIJO: Yeah. And, by the way, when you
22 put it in the water, it congeals, it will puff up. If
23 you put a whole scoop in just a little bit of water, it
24 will get real like gunky, you know. But if you put it in
25 like eight to ten ounces of water and you put like a

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 heaping tablespoon, it will disperse, it will be clear,
2 and you can drink it and it will taste somewhat, like
3 Trish said, like diluted applesauce.

4 BEN: Okay.

5 JIM FEIJO: And it's awesome.

6 TRISH FEIJO: Yeah. And then you can always
7 add the inositol or an herb like cascara sagrada if that
8 doesn't take care of it. But you first want to make sure
9 you're getting the biotropins and a good fiber like apple
10 pectin. That should take care of it for you. And, so,
11 you know, as far as steps, that is step one, okay?

12 BEN: Yes. Will that also help with bloating?

13 TRISH FEIJO: Over a period of time. Maybe not
14 immediately, but it definitely should.

15 JIM FEIJO: The --

16 TRISH FEIJO: If you have sluggish digestion,
17 you might need a product like BioZymes as well.

18 JIM FEIJO: What you really need to do, let's
19 get you straightened out completely, Ben, okay?

20 BEN: Okay.

21 JIM FEIJO: Get purified water like we're
22 telling you to do. Otherwise, everything we're trying to
23 do is going to be for naught and what you want to do is
24 re-colonize your GI tract. You want to take the A&B
25 Biotropins, IG Factors, two teaspoons, three times a day.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 Please, this is -- and you don't have to do this forever,
2 but you need to do this to get this finally corrected.
3 And then the apple pectin, one scoop twice a day and
4 we're on the right track as far as that goes.

5 BEN: Okay.

6 JIM FEIJO: As far as inositol and cascara
7 sagrada, you can do those things, but that's not going to
8 correct the imbalance of A&B Biotropins. We want to do
9 that.

10 TRISH FEIJO: Right. What we want to do with
11 the apple pectin is to help your body just clean itself
12 out, then build up the biotropins with that A&B
13 Biotropins. The IG Factors is like taking an internal
14 shower and the biotropins will re-colonize the gut. So,
15 the idea here, also, is to get to the source of the
16 problem and cure it, and then your body should work well
17 on its own. If you need to continue with any of those
18 products, that's fine. I just mention the others because
19 in real stubborn cases, you can always add that for a
20 further assist.

21 JIM FEIJO: Oh, we've had --

22 TRISH FEIJO: But I wouldn't start with it.

23 JIM FEIJO: Well, we've really had serious
24 cases that have been -- that are so -- actually, that
25 would have required surgery in -- even in children. So,

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 these are important things to do for children, for
2 adults. Anybody with problems with constipation or
3 diarrhea should do exactly what we just said now. Use
4 the WaterKleen FRS System always for your drinking water,
5 making foods, reconstituting juice, et cetera, and then
6 take A&B Biotropins and IG Factors, re-colonize that
7 immune system. And those are the things that are going
8 to kill -- help kill the bad bacteria, which is causing
9 that bloating that you're experiencing.

10 As a matter of fact, Ben, men with the so-
11 called beer barrel belly.

12 BEN: Uh-huh.

13 JIM FEIJO: That is -- that's usually -- I see
14 guys like that and everybody thinks they're fat. They
15 are not fat. That is bad bacteria exploding and
16 colonizing in the 30 feet of GI tract. That is a major
17 problem and that takes a long time to really do a
18 cleansing job, you know.

19 BEN: Yeah, yeah, okay.

20 JIM FEIJO: But I know you can think it's not
21 about selling you a water filter, it's not about this,
22 it's about getting you what you need to actually do to
23 get this healthy, because it is not a good sign. Any
24 kind of irregular bowel movements like that needs to be
25 immediately acted upon. Because with colon cancer being

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 the second cause of death -- cancer deaths, that's pretty
2 serious, you know.

3 BEN: Yeah, okay. Then, so, I'll follow
4 through with that and then call back in a while.

5 JIM FEIJO: Yeah. You should notice right
6 away. We should be able to get these things corrected
7 right away.

8 BEN: Okay. And the other question I have is,
9 I was reading in the BioGuide about Type II diabetes and
10 it talks about mineral or -- I don't know about it.

11 JIM FEIJO: Two minerals, right. We use two
12 minerals, CP 200 and Van 50.

13 BEN: Okay. The one I'm referring to it talks
14 about is DHEA.

15 JIM FEIJO: Oh, that's a hormone. That's a
16 hormone and that hormone is used to allow for the -- and
17 studies have shown to increase the production of beta
18 insulin producing cells. That's amazing. Studies have
19 shown -- listen, diabetes, every research out there,
20 every doctor, the FDA, they all know about DHEA. As a
21 matter of fact, they know how great DHEA is. That's why
22 the government is trying to ban DHEA. DHEA is so
23 powerful, so awesome in everybody's health that the FDA
24 doesn't want it out there. The government is trying to
25 block the use of DHEA.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 And get a load of this, it's the only substance
2 that can create new beta insulin producing cells in the
3 pancreas. New beta insulin producing cells in the
4 pancreas, those are research studies, you know.

5 BEN: Yeah, I -- yeah, several articles that
6 I've just come across talked about the severity of DHEA
7 in mood disorders.

8 JIM FEIJO: Yeah. Well, mood disorders, bone
9 diseases, cancers, it is a cross section. I have
10 research and studies on DHEA touching a cross section of
11 illnesses that just knock your socks off, you know?

12 BEN: Yeah, yeah.

13 JIM FEIJO: But that's why the government wants
14 to ban DHEA, because it works.

15 BEN: Is it recommended with Type II to take
16 sublingual -- well, what it says in the BioGuide then?

17 JIM FEIJO: Yeah, there's no problem doing it
18 with any -- a healthy person. Any disease, anyone can
19 take DHEA any time. As a matter of fact, as soon as you
20 hit 30, you should start taking one a day, and then as
21 you age, you can take two or three, four a day
22 sublingually. And it's only the wise thing to do because
23 it's important in your health, your immune system, your
24 metabolism, fighting off cancers, arthritis and diabetes.
25 That's pretty incredible, isn't it?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 BEN: Well, I think so. I think -- it says
2 take it before nighttime, before you go to bed.

3 JIM FEIJO: You can take it any time during the
4 day. Ideally, you take it either when you wake up, after
5 strenuous activity and before bed. We usually say once a
6 day. But those are general guidelines that we put up
7 there, you see.

8 BEN: Right. Sure. Okay, well --

9 JIM FEIJO: Ben, those are great questions,
10 man. I'll tell you. I appreciate it. And I guess you
11 go out to the Severe Valley out there, Ben?

12 BEN: Yeah, I go out -- I order them from
13 Richill, Utah.

14 JIM FEIJO: Yeah. Well, you be nice to those
15 guys because they're kind of delicate out there, you
16 know?

17 BEN: They're delicate all right.

18 JIM FEIJO: Listen, you let us know, okay,
19 brother.

20 BEN: Yeah, I'll let you know.

21 JIM FEIJO: Thanks --

22 TRISH FEIJO: Thanks, Ben.

10 TRISH FEIJO: Doctors and drug companies treat
11 signs of disease. They don't get to the source of the
12 problem. They do not treat the underlying sickness
13 because they can't.

14 JIM FEIJO: We've been saying that for a
15 trillion years. Who's saying that now?

16 TRISH FEIJO: That's a quote from Dr. John
17 McDougal, M.D.

18 JIM FEIJO: Whoa.

19 TRISH FEIJO: He's a medical doctor who is not
20 a Dr. Dumb-Dumb.

21 JIM FEIJO: Whoa. A Dr. Not-Dumb-Dumb.

22 TRISH FEIJO: And I'm Tricia Feijo. I'm here
23 with my husband, Jim.

24 JIM FEIJO: You're perfect husband, Jim. Whoa,
25 here they come, they're coming to get me, they're coming

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 to take me away.

2 TRISH FEIJO: Take care of that, honey.

3 JIM FEIJO: The evil FDA, the FTC. This is
4 Daniel Chapter One Healthwatch. Hey, those guys didn't
5 like me saying perfect husband Jim. It's like the buzzer
6 when you do something wrong as a kid. Ehhh. Anyway, 1-
7 866-222-2368. You can give us a call with your health
8 care questions.

9 We've got -- folks, I have a stack of
10 testimonies here. And we need your testimony. We have
11 notarized testimonies here. Here's another notarized
12 testimony, Trish.

13 I am a mechanic and my shoulder pulls out of
14 the socket often because of past work injury to it. It
15 has gone away since I started taking GDU. It is awesome
16 and I recommend it to everyone with similar problems.
17 That's Matt. Thanks, Matt.

18 Folks, please, any testimony using God-given
19 nutrients, we are in a battle fighting for the right to
20 speak truth about and have your truth and freedom about
21 God-given nutrients, about people who have been healed of
22 cancers, who were told that they were terminally ill and
23 that they were going to die by (inaudible) hospital and
24 other doctors. These are facts, these are truths.

25 And the evil FTC and the FDA doesn't want us to

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 put this out there. They actually want us to tell you,
2 you need to go see some cancer center, you need to see
3 some moron that uses drugs and radiation and chemo
4 poisons. We're never going to say that. That's the
5 voice of Satan from hell. That's what the FDA is, the
6 voice of hell.

7 1-866-222-2368. The program is Daniel Chapter
8 One Healthwatch. Call with any health care question.

9 Trish, I'm going to -- every now and then I'm
10 going to read one of these. Some of them are a little
11 long, but I'll synopsis them, you know.

12 TRISH FEIJO: You know, the FTC really wants us
13 keeping truth a secret. They want us to keep the
14 information that we have and the testimonies that we have
15 a secret and they want us to bring those secrets to the
16 grave. And we know that God does not want that, and so,
17 that's why we're continuing to speak out and we will, as
18 long as we have breath to do so.

19 Right now, Jim, let's go to the phone lines.
20 We're going next to Valdosta, Georgia, to welcome Gaye.
21 Hi, Gaye.

22 JIM FEIJO: Hey, Gaye, welcome. How can we
23 help you today?

24 GAYE: Good morning. Good afternoon, though,
25 now, isn't it?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: Yeah. Someplace it's morning,
2 someplace it's evening, someplace it's daylight, you
3 know.

4 GAYE: I have a couple of questions I wanted to
5 ask about something that's bothering me.

6 JIM FEIJO: Sure.

7 GAYE: I called a month ago and I told you
8 about my Parkinson's disease, it was just -- (inaudible)
9 calling to let you know I was beginning. You put me on
10 Micro Cal --

11 TRISH FEIJO: Yeah.

12 GAYE: -- Gaba --

13 TRISH FEIJO: Yes.

14 GAYE: Those two. Is there anything else I can
15 go on?

16 TRISH FEIJO: Sure.

17 JIM FEIJO: Well, B complex is important to
18 use. Omega 3 Fatty Acids --

19 TRISH FEIJO: I would do --

20 JIM FEIJO: -- IG Factors. There's a lot of
21 things.

22 TRISH FEIJO: I would definitely --

23 JIM FEIJO: But you just got to start out.

24 GAYE: Wait one minute. I'm taking 7 Herb.

25 JIM FEIJO: Good.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 GAYE: Endo --

2 TRISH FEIJO: Oh, Endo, okay, I was going to
3 say you need one of those multi-nutritional drinks, okay.

4 JIM FEIJO: Okay, those are fine.

5 GAYE: All right.

6 JIM FEIJO: I mean, it takes time.

7 GAYE: I'm also being treated for diabetes and
8 (inaudible).

9 JIM FEIJO: Are you on drugs for those?

10 GAYE: I'm on Amaril and Diazide.

11 JIM FEIJO: Well, you need to get off of those.

12 GAYE: And I am a senior citizen, very senior.

13 JIM FEIJO: Yeah.

14 GAYE: Um-hum.

15 JIM FEIJO: Well, I don't want you on those
16 crazy Dr. Dumb-Dumb drugs, you know, Gaye.

17 GAYE: Okay. Tell me what to do and I'll get
18 off.

19 JIM FEIJO: You're down there -- do you go to
20 Dr. Minx (phonetic), do you?

21 GAYE: Yeah, that's where I get my stuff.

22 JIM FEIJO: You do?

23 GAYE: Yes.

24 JIM FEIJO: Look, there's a wonderful
25 fellowship down there, okay?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 GAYE: Um-hum.

2 JIM FEIJO: Morningside Baptist Church. The
3 people down there are just fantastic. They have helped
4 so many, many people. If you have a financial burden,
5 I'd like you to please go see the pastor and the folks
6 there. Let them know if you need help with this and they
7 -- we work together with them to help people in your
8 situation, all right? I wish we had more fellowships
9 throughout the country helping people.

10 I got to tell you, those folks at Morningside
11 Baptist Church, they're one of the few fellowships in the
12 world that has had the guts to proclaim God's healing in
13 the things that Daniel Chapter One's been doing, and
14 that's why the Lord blesses them, you know?

15 TRISH FEIJO: Maybe it's the faith, too. They
16 have the faith.

17 JIM FEIJO: Yeah.

18 TRISH FEIJO: Which is awesome.

19 GAYE: Well, I have a good church connection
20 (inaudible).

21 JIM FEIJO: All right. Well, if you have any
22 problems, you let the pastor know or somebody you talked
23 to me and I will work with them to see that you get what
24 you need. But I'd like you to get on the Van 50 and the
25 CP 200, to get off these diabetes drugs, all right?

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 GAYE: What's (inaudible)?

2 JIM FEIJO: Van 50, V-A-N, five-oh, okay?

3 GAYE: Okay.

4 TRISH FEIJO: Van 50 and CP 200. Now, hold on
5 the line, Gaye, because we have to move along, and if you
6 don't get it all, the producer will repeat it to you,
7 okay?

8 GAYE: No, I got that, but that's in addition
9 to what I'm already taking, right?

10 JIM FEIJO: Yeah.

11 TRISH FEIJO: Right, that's for diabetes.

12 JIM FEIJO: This is for diabetes.

13 TRISH FEIJO: But, also, the drugs that you
14 said, I think, are for high blood pressure, too. Do you
15 have high blood pressure?

16 GAYE: Yes.

17 TRISH FEIJO: Okay.

18 JIM FEIJO: Yeah. Are you over 21?

19 GAYE: Very much so.

20 JIM FEIJO: All right.

21 **(Laughter.)**

22 JIM FEIJO: You know what, I know the Lord God
23 Almighty and he would never give you those drugs for your
24 heart. Never. I guarantee you you and I cannot go
25 before our time. We're not evolved from some ameba, from

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 some monkey that fell out of a tree. We're created by a
2 loving God and he would not give us these drugs. He did
3 not intend for a young lady like you to be living on
4 drugs some pharmaceutical company manufactured. There's
5 no way. There's no way can I believe that God would
6 intend that a drug be used for heart disease by anyone
7 any time. That just makes our Jesus Christ a liar. You
8 see, sister?

9 GAYE: Um-hum.

10 JIM FEIJO: So, while you have a fellowship
11 there and if they can't stand with that truth, then
12 there's something wrong. Now, I don't even know if you
13 need to use God-given nutrients, but in our BioGuide,
14 Gaye, there's a testimony about a young man, Theodore
15 Staff (phonetic), and he had been on drugs for ten years
16 until he heard our message. He got off the drugs, and to
17 this day, he doesn't use any drugs. But he did use our
18 CounterPlex, our CoQ10 and our Hawthorne Berry, I
19 believe, in the beginning. But his testimony's in the
20 book. You can get one of those books at Dr. Minx or one
21 of our locations --

22 GAYE: I got one.

23 JIM FEIJO: -- down there, okay?

24 GAYE: I've got one.

25 JIM FEIJO: Okay. Well, you check out Theodore

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 and see -- that's what we would do. We would get you off
2 those drugs, all of them. And CP 200, just take one with
3 each meal. Van 50, take one a day. And then the
4 CounterPlex, you take -- you can take one three times a
5 day and the -- the CounterPlex one three times a day, and
6 then the Hawthorne, one three times a day right now.

7 GAYE: Okay.

8 JIM FEIJO: You know?

9 GAYE: Okay.

10 TRISH FEIJO: Yeah, so that way you can get off
11 of those drugs. And, again, hold on if you need the
12 producer to repeat those. You can use the Cardiac Pack
13 instead of the heart nutrients. You can use the two
14 minerals instead of the diabetes drugs and all of this is
15 going to work together for the Parkinson's, which is
16 usually -- you know, they don't fully understand it, but
17 it's at least in part due to malnutrition. It's not a
18 chemical deficiency that you have.

19 So, hold on the line if you need to and, again,
20 you can talk to the pastor of your fellowship if you need
21 some help with these.

22 JIM FEIJO: Yeah. And then I can set him up,
23 he can learn from the Morningside Baptist Church who have
24 taken Sunday collections to help people. And we support
25 their work there, their ministry as well, you see? All

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 right, Gaye?

2 GAYE: Thank you so much.

3 TRISH FEIJO: Okay, Gaye.

4 JIM FEIJO: (Inaudible) met you.

5 TRISH FEIJO: Thank you.

6 JIM FEIJO: And we'll go into KCXL Kansas City,
7 Missouri.

8 TRISH FEIJO: Hi, Greg.

9 GREG: Yes, sir.

10 TRISH FEIJO: Welcome.

11 GREG: Hello, how are you?

12 JIM FEIJO: Welcome, Greg.

13 TRISH FEIJO: We're good, thanks.

14 GREG: Hey, I'm calling about -- not for myself
15 today, but I have a five-year-old grandson that was
16 living in New Mexico and he got very, very ill. He
17 started running 103, 104 temperature. His mom tried to
18 deal with it for a few days, you know, putting cold water
19 on him and things.

20 JIM FEIJO: Yeah.

21 TRISH FEIJO: Yeah.

22 GREG: She finally had to take him to the
23 emergency room. He had breakouts all over his body.

24 JIM FEIJO: Whoa.

25 GREG: They kept trying to diagnose it. They

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 never did figure out what it was. They thought it was
2 measles, then they went to chicken pox, then they just
3 said it's some virus, they'll probably never know what it
4 was. Well --

5 JIM FEIJO: You mean to tell --

6 GREG: Go ahead.

7 JIM FEIJO: You mean to tell me the hospital
8 couldn't tell the difference between chicken pox and
9 measles?

10 GREG: Well, they -- you know -- no, they
11 couldn't.

12 TRISH FEIJO: They don't usually see it
13 anymore, Jim. These kids are all suppressed, they're
14 vaccinated.

15 GREG: That's exactly -- exactly the case
16 because the doctor said that she had never seen it in her
17 whole career.

18 TRISH FEIJO: Which is really sad (inaudible).

19 JIM FEIJO: And it's so easy to tell the
20 difference. You and I would be able to tell just like
21 that.

22 TRISH FEIJO: But, still, my point is people
23 just -- doctors don't see these childhood acutes anymore.

24 GREG: Well, it was ridiculous. When I flew
25 down there --

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: Yes.

2 GREG: -- and I -- to be with him and I walked
3 in the room, I saw a boy that I thought was going to die.
4 He -- he just looked terrible.

5 TRISH FEIJO: Whoa.

6 JIM FEIJO: Wow.

7 GREG: He just -- and in his mouth, you know,
8 I've had tonsillitis and stuff like that where you get a
9 little white in the back.

10 TRISH FEIJO: Yeah.

11 JIM FEIJO: Right, right.

12 GREG: The boy -- his entire tongue looked like
13 someone had painted white paint on it, and I asked her, I
14 said, did they put something on his tongue? She said,
15 no, that's what his tongue looks like. He couldn't eat.
16 They put him like in isolation. This was in a two-week
17 period. They had him on an IV with just sugar water. I
18 asked them, I said, he needs some nutrition.

19 TRISH FEIJO: Yeah.

20 GREG: They just said, no, his body will take
21 care of it. I said, that's not true.

22 JIM FEIJO: Oh, please (inaudible).

23 TRISH FEIJO: Wow.

24 GREG: We took him off the IV. They were upset
25 because they said he has to drink at least five liters of

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 liquid every six hours. I said, that's not a problem.
2 He drinks a lot. So, the first day all I could do -- all
3 we could find was Carnation Instant Breakfast, you know,
4 in milk.

5 TRISH FEIJO: Yeah.

6 GREG: But that was better than -- he hadn't
7 been having anything. They had something that would numb
8 his mouth so he could drink a little of that. Then I got
9 him started on some A&B Biotropins and some Endo 24.

10 TRISH FEIJO: Yeah.

11 GREG: And within three days, the boy totally
12 changed. When he went in there, his -- I don't know,
13 creatine something --

14 JIM FEIJO: Creatine, right.

15 TRISH FEIJO: Yes.

16 GREG: CK or CT was at 11,000.

17 JIM FEIJO: Whoa.

18 GREG: Now, in the -- then it jumped to 13,000
19 in the hospital.

20 JIM FEIJO: Yeah.

21 GREG: Well, after we started taking him off
22 the IV and that sugar water and junk, it dropped to 4,500
23 in about two days.

24 JIM FEIJO: Yeah, because the idiots were
25 feeding this -- probably all you needed to do, this was

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 fantastic what you did for him. That was just -- thank
2 the Lord that you flew out there to take care of this.

3 TRISH FEIJO: Yeah.

4 JIM FEIJO: Because that child might have died
5 at the hands of those people.

6 GREG: Well, he -- you know, they kept talking
7 about he needed to urinate because they were worried
8 about his kidneys failing or something.

9 TRISH FEIJO: Yeah.

10 GREG: And, I mean, they were thinking he had
11 some sort of a muscle disease, muscle wasting and
12 everything. But then I kept saying, well, he needs a
13 bowel movement, and they told me that wasn't important.
14 I said, that's not true, he's got to have a bowel
15 movement. Well, once we started giving him this other
16 stuff, A&B, he finally had a great big bowel movement,
17 and from that point on, he just started totally changing.

18 TRISH FEIJO: Well, praise --

19 JIM FEIJO: Praise the Lord.

20 TRISH FEIJO: -- God for the wisdom he gave
21 you, Greg. My goodness.

22 JIM FEIJO: They probably infected him with
23 susceptis (sic) or who knows what was going on.

24 TRISH FEIJO: Well, plus --

25 JIM FEIJO: Toxemia.

 For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 TRISH FEIJO: -- he was getting no nutrients
2 for days, so he was dying of malnutrition.

3 GREG: I know, it's terrible.

4 TRISH FEIJO: A child fighting an illness,
5 fighting a fever, they burn up more calories than --

6 GREG: Oh, yeah.

7 TRISH FEIJO: -- they ordinarily do and they
8 can lose weight very quickly. They can dehydrate
9 quickly.

10 GREG: Oh, he did.

11 TRISH FEIJO: But it's not just a matter of
12 water, it's the electrolytes that are needed. My
13 goodness.

14 JIM FEIJO: So, simply repeat again -- I was
15 just listening so intently here. Repeat again what you
16 -- how did you, one, get them to let you take him off the
17 IVs and use the nutrients? What did you do? Threaten
18 their lives or what did you do?

19 GREG: They kept having trouble with losing his
20 veins and it was hard to get them in him.

21 JIM FEIJO: Yeah.

22 GREG: And he just would scream because he
23 hurt. If you just touched him anywhere on his body, he
24 screamed, he hurt.

25 TRISH FEIJO: Oh.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: And here they were punching him
2 with this stuff. And, so, we -- I just said, you're not
3 going to do that to him anymore. We're going to get him
4 drinking, we're going to get him eating, and they said,
5 well, that's up to you, but that's maybe a problem. So,
6 they were like a little bit of a threat.

7 JIM FEIJO: Yeah.

8 GREG: So, a long story short, he turned around
9 real -- what should the normal creatine level be in a
10 person?

11 JIM FEIJO: You know, these numbers to us don't
12 really mean anything. Actually, many times, some of
13 these numbers don't mean a darn thing.

14 GREG: Right.

15 JIM FEIJO: Because it depends on what they're
16 working with in relation to other aspects. You don't
17 want to -- it's like the same thing with the white blood
18 cell counts. Once you let the body -- everybody's counts
19 are different.

20 GREG: Right.

21 JIM FEIJO: And it all depends on what the
22 issue is. However, when it does -- when you do see an
23 elevation of things, then that's when you start to worry,
24 okay?

25 GREG: Right.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 JIM FEIJO: But --

2 GREG: This --

3 JIM FEIJO: -- you gave him simply, besides the
4 Endo 24, what was it that you gave him?

5 GREG: It's the bottle of A&B Biotropins that
6 you stir up in -- you know, it's granulated or something
7 and you stir it up --

8 TRISH FEIJO: Right.

9 JIM FEIJO: Oh, the powdered A&B Biotropins.

10 GREG: Yeah.

11 JIM FEIJO: And how did you --

12 GREG: That's all I had at the time and I --

13 JIM FEIJO: No, but that was the perfect thing
14 to do because in the case of thrush or the white thrush
15 like that, there's several things you can do. You can
16 dilute Genesis Verse 8 Oil, you can dilute Ezekiel Oil
17 and IG Factors or A&B Biotropins and A&B Biotropins is
18 what was the excellent thing to give him.

19 Now, how did you -- did you make a liquid out
20 of it or did you make a paste of it? How did you do
21 that?

22 GREG: Well, I just -- what I started doing,
23 for the taste, I put just a little touch of Carnation
24 Instant Breakfast and then I used the Endo 24.

25 JIM FEIJO: Yeah.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 GREG: And I stirred that A&B Biotropins up in
2 the Endo 24, and he'd sit there with a straw and he'd
3 drink it all down.

4 JIM FEIJO: Praise the --

5 GREG: He drank like 8,000 milliliters in the
6 first six hours and they only asked him to do five.

7 JIM FEIJO: Praise the Lord. I'll tell you
8 what, I am so --

9 TRISH FEIJO: Yeah, he was starving.

10 JIM FEIJO: I am so thankful that my wife and
11 I --

12 GREG: Yeah, I listen to you.

13 JIM FEIJO: We are just -- I just am so
14 grateful for this and I want to thank you for telling us
15 this because, you know, sometimes -- I want to be honest
16 with everybody. Trish and I don't need to do this radio
17 show, you know. I mean, and we do this because of this
18 exact situation. And that's the only reason, Greg. I
19 can't tell you, there's no other reason but because of
20 people like this.

21 And I just --

22 GREG: Well, I think it saved his life,
23 honestly.

24 TRISH FEIJO: Yeah, it sounds like it. I
25 really think so, Greg.

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 GREG: Let me ask you, my last question is
2 this. He's always had trouble with bowel movements. I
3 mean, he was like maybe once a week and I -- of course,
4 I've started talking to his mother about that and said,
5 he's got to go every day. But she started giving him
6 like aloe vera. But here's the long story short.
7 Because of his lack of bowel movements, the kid is very,
8 very allergic to things because his body can't handle any
9 extra loads.

10 JIM FEIJO: Right.

11 GREG: So, like a dog licks him, well, he
12 breaks out like crazy.

13 JIM FEIJO: Right.

14 GREG: Some sort of fabric softener, man, this
15 kid breaks out like crazy. So, what can I do to get in
16 that young man to get that immune system built back up
17 where God wants it to be?

18 JIM FEIJO: All right.

19 TRISH FEIJO: Actually, the biotropins is
20 integral.

21 JIM FEIJO: This is a great question. My wife
22 and I have seen people in their 40s and 50s with these
23 conditions because they never knew how to address it
24 early in age. There's a direct detoxification program,
25 if this were my child, that I would use right off the

For The Record, Inc.
(301) 870-8025 - www.ftrinc.net - (800) 921-5555

1 bat, Greg, is I would use a little bit of 7 -- or at
2 least once or twice a day, you can put it in juice,
3 whatever he likes. The other thing is you want to never
4 give this child water or juice again unless you use the
5 WaterKleen FRS System.

6 GREG: (Inaudible).

7 JIM FEIJO: And it really is that important,
8 okay?

9 GREG: Yeah.

10 JIM FEIJO: And there's great -- we've got a
11 great sale because we're moving our warehouse or we're
12 trying to move the warehouse. And, so, that would be
13 extremely important because that will prevent toxins from
14 building up in his body. And if you have pure water and
15 you purify the blood with the 7 Herb Formula, then the
16 epidermis, the skin, these organs can start to reverse
17 the pressure and the toxins can leave the cells.

18 The other thing is, what my wife was saying
19 earlier and what you began was the A&B Biotropins. Now,
20 you and I and all people need roughly 80 percent of our
21 flora, our good bacteria, in our GI tract should be the
22 A&B Biotropins. And it's just the reverse in 99 percent
23 of the people, okay?

24 GREG: Right, right.

25 JIM FEIJO: And, so, that child needs as much

1 A&B Biotropins as you can give him --

2 GREG: (Inaudible).

3 JIM FEIJO: -- to re-colonize.

4 GREG: Okay. All right. Now, how much of that
5 7 Herb should I give him per time?

6 JIM FEIJO: How old again?

7 GREG: Five.

8 JIM FEIJO: Five. It's easy -- if you can get
9 at least one or two ounces in juice, it depends on how --
10 does he drink a lot of juice or not?

11 GREG: Yes, yes, he does.

12 JIM FEIJO: Good. If you can put it in juice,
13 you know, so the color doesn't show up and he'll drink
14 it, listen, give it to him twice a day.

15 GREG: Okay.

16 JIM FEIJO: Make sure during the day he has an
17 extra glass of water outside of whatever you mix the Endo
18 24 in.

19 GREG: Okay.

20 JIM FEIJO: And that will get him --

21 GREG: So, keep him on the A&B Biotropins?

22 JIM FEIJO: Yep.

23 GREG: And start him -- did you say IG Factors?

24 JIM FEIJO: Ideally, if you can get him IG
25 Factors one scoop -- now, the reason, the purpose of the

For The Record, Inc.

1 IG Factors is because you're talking about the skin
2 sensitivity showing a sign that there is a problem.

3 GREG: (Inaudible).

4 JIM FEIJO: With the C Reactive Creatine,
5 rather, at a higher level, there is some free radical
6 damage going on.

7 GREG: Right.

8 JIM FEIJO: So, you do want to use the IG
9 Factors because that's a serious -- both the A&B
10 Biotropins and the IG Factors, that's what God intended
11 for our immune system right off the bat from the time
12 we're born through a normal vaginal birth and
13 breastfeeding, and all of that action of the anti-Christ
14 is to destroy the birth process because they don't want
15 women to have pain.

16 GREG: Should a child maybe have like one-
17 fourth of what an adult would normally take on all these
18 things?

19 JIM FEIJO: No, that child --

20 GREG: No? Okay.

21 JIM FEIJO: You can give that child -- I'll
22 tell you what, my granddaughters, if I get them, I'll
23 give them double because it can't harm them. There's no
24 -- that child could eat that whole bottle of A&B
25 Biotropins and it would not do anything negative in any

1 shape, way or form. It wouldn't even probably cause
2 diarrhea.

3 GREG: Same thing with the IG Factors?

4 JIM FEIJO: Yeah, but basically if you give him
5 two teaspoons two or three times a day, boy, praise the
6 Lord, that's what God intended for that child to have,
7 you know.

8 GREG: I'm going to give him 7 Herb, I've got
9 that on hand. I'm going to continue with the A&B
10 Biotropins, two or three times -- or three, four times a
11 day, the IG Factors and I'm going to get him a water
12 filter right away. I've been having him drink like
13 distilled water and stuff.

14 TRISH FEIJO: Yep.

15 GREG: Okay. So, what else -- is there
16 anything else I should give him?

17 TRISH FEIJO: The other thing -- while I think
18 of it, Greg, I would stress to the parents that a child
19 so sensitive, so reactive to everything especially should
20 not ever get medication or vaccinations.

21 GREG: Um-hum.

22 TRISH FEIJO: And I don't know if they do. I'm
23 just making a general statement.

24 GREG: I know, I know.

25 TRISH FEIJO: It's --

1 GREG: You know, the other day I found out
2 she's putting Deet on him because there's mosquitos. And
3 I said, you can't put that on him --

4 JIM FEIJO: Oh, my gosh, no.

5 TRISH FEIJO: No.

6 GREG: -- that's toxic (inaudible).

7 TRISH FEIJO: It's very toxic. It goes right
8 through the pores of the skin. It's going to harm his
9 liver. You know, for all we know, he was having some
10 kind of horrific reaction to something. I work a lot
11 with very sensitive children in my homeopathy practice
12 and it just breaks my heart. And I can see clearly the
13 direct link to the drugs that they get, the toxins in the
14 environment, the vaccinations that they get. When
15 they're a sensitive child, they're like canaries in the
16 coal mine. No child should get drugs or vaccines, but
17 especially such a sensitive child.

18 So, I hope that they'll listen to you and maybe
19 this will be the turning point. And --

20 GREG: And they have three --

21 TRISH FEIJO: Yes?

22 GREG: They have three children and he's the
23 only one that has this sensitivity like that and it's
24 because his bowels don't move, you know?

25 JIM FEIJO: Well, the toxic --

1 GREG: He isn't getting the right stuff in him.

2 JIM FEIJO: -- level of the cells can't handle
3 that and that's a sign that there's a high level of waste
4 being produced somewhere in the body, toxic waste build-
5 up.

6 GREG: Okay. Well --

7 JIM FEIJO: The skin --

8 GREG: -- I want to -- do you know of anything
9 natural instead of this Deet stuff? Is there something
10 natural that --

11 TRISH FEIJO: Sure, yeah, they can go to a
12 health store and there's any number of natural insect
13 repellants that have no toxic ingredients. They just use
14 herbs. And I've used a number of them. You know, I've
15 tried different ones over the years. And they work
16 pretty well.

17 GREG: Okay.

18 TRISH FEIJO: I don't know if they're as
19 strong, but they do work pretty well. So, I would
20 definitely steer them in that direction.

21 And one last question for you, Greg, if we
22 could please have your testimony, if you could hold on
23 the line --

24 GREG: Oh, absolutely, yeah.

25 TRISH FEIJO: -- with someone at Accent Radio

1 Network. Thank you.

2 JIM FEIJO: And we want to get a picture of
3 this little guy and Gramps, you know what I mean?

4 TRISH FEIJO: That would be great.

5 GREG: Oh, I could show you pictures before and
6 after. You won't believe the difference.

7 TRISH FEIJO: Wow.

8 JIM FEIJO: I'll take them, brother. I'll take
9 them. We're doing everything --

10 GREG: Okay.

11 JIM FEIJO: When I stand before Caesar and
12 these judges that are going to decide what's godly and
13 what isn't godly, I want to at least have the evidence to
14 show them what the Lord God is capable of in the face of
15 their lying spirits, you see.

16 GREG: You know, their oath or whatever it is
17 they take, it says first, do no harm.

18 TRISH FEIJO: Well, they don't even take that
19 anymore.

20 JIM FEIJO: Yeah.

21 TRISH FEIJO: A doctor doesn't have to.

22 GREG: Oh.

23 TRISH FEIJO: And most of them are no longer
24 taking that.

25 GREG: Well, I want to get on the line where I
