In addition to this rebate, an equipment purchase discount of \$150 has been provided to you in exchange for activating and maintaining a new, non-substitute wireless service mobile number on any commercially published wireless services rate plan for a minimum of 181 consecutive days. Should this number disconnect (permanently or temporarily, except based on the fault of the Wireless Service carrier) from the chosen Wireless carrier, or if the customer's wireless service rate plan is changed to one of a lower service rate plan, within the same time period (181 consecutive days), both this discount and rebate will be null and void and the customer must reimburse this Authorized Carrier Representative \$150. The customer herein provides authorization for the \$150 to be charged to the customer's credit card without need for further approval; the \$150 will only be charged if the monthly service rate is changed to one of a lower monthly service rate or if the wireless phone bill is not paid for 181 consecutive days.

I authorize that this \$150 can be charged to my credit card and in the event that any legal action is necessary to collect the amount due I agree to pay any legal fees, collection fees, and court costs.

This rebate will be null and void if all balances owed InPhonic Inc are not paid in full within 30 days of purchase date.

This form will serve as your Rebate Authorization. You will receive a check for the amount of \$150 within 10-12 weeks of our receipt of your rebate request. Checks not cashed within 90 days of issuance will be considered void and not eligible for re-issue.
