## **Environmental Stewardship**

We are the only Fortune 500 company to purchase sufficient wind energy credits to offset 100% of its electricity use.

We received the EPA's Green Power Partner of the Year award.

## Think & Act Green

- Making decisions for our stores, offices and non-retail facilities that positively impact the health of our planet and local communities
- Green Mission Task Force
- National Energy Manager
- Grass roots efforts across our company

**Whole Foods Market® in Boulder is working toward Zero Waste with Eco-Cycle by:**

- Composting food and other organics
- Recycling traditional and hard-to-recycle materials
- Educating employees about resource use

As a result, the store is keeping 70% of the waste it produces out of the landfill.

## Animal Compassion Foundation

Our mission is to improve the quality of life of farm animals by helping farmers achieve a higher standard of animal welfare excellence.

Initially funded by  
Global 5% Day.

Going forward,  
Whole Foods Market will  
donate \$1 million annually.

OUR

## Whole Planet Foundation

Our Mission is to create economic partnerships with the poor  
in those developing-world communities that supply  
our stores with product.

Through innovative assistance for entrepreneurship — including direct  
micro-credit loans and tangible support for other community  
partnership projects — we seek to unleash the energy and creativity  
of every human being we work with in order to create wealth and  
prosperity in emerging economies.
