RE: Business Opportunity Rule, R511993.

Dear Sir or Madam:

I am writing this letter because I am concerned about the proposed Business Opportunity Rule 511993. I believe that in its presented form, it could prevent me from continuing as a Distributor of XanGo and destroy my small business.

I have been an independent distributor from XanGo for more than 2 years.

Originally, I started my Network Marketing business because of the product I loved it and wanted to earn some additional money. Now my family depends on this extra income to supplement our budget. Please don't destroy my small business we need it !

Some of the sections in the proposed rule would make it hard or almost impossible for me to sell my XanGo products.

One of the most difficult sections of the proposed rule is the seven day waiting period to enroll a new XanGo distributor.

XanGo sales kit only costs \$ 35.- People buy TVs cars, and other items that cost much more than that and they do not have to wait seven-days. Under this

waiting period requirement, I will need to keep very detailed records when I first speak to someone a prospect and will then have to send in reports to my company. I am a small home business and this burden could destroy my business.

Finally, the proposed rule requires the disclosure of a minimum of 10 prior purchasers nearest to the prospective purchaser. I am glad to provide references, but in this day of identity theft, I am very uncomfortable giving out the personal information of individuals (without their approval) to strangers. Women in my organization may be subject to sexual or racial harassment so this part can't go in at all, unless the FTC passes an addition to this rule.

Prohibiting sexual or racial attacks related to this disclosure. In the end the rule must bind the FTC to take direct enforcement action on sexual and racial attacks with a special unit assigned to monitor actions related to the disclosure forms.

I have seen many scams on the Internet and been approached by many crooks because of my success. This rule will do nothing to stop them. They hurt my business! This rule will not stop crooks - they violate the current rule all the time. But I am a good American Citizen and it will hurt me. Thank you and please help me.

Sincerely,

Ruben Nevarez
