

Response to the FTC Rule for Independent Business Owners

1. I agree the rule should create a level playing field by requiring clear, simple, and standardized income disclosures that apply to all direct sellers.
2. I agree the rule should provide a reasonable cancellation policy.
3. I agree that there should not be a required seven-day waiting period for a prospect can register.
4. I agree that IBO references should not be provided to prospects or disclosure of past litigation.
5. I agree that financial records should not be disclosed to prospects.
