

Dear Sir and Madam,

I am writing you a letter because I am concerned about the Rule R511993.

I have come across Xango as a way to bring income in for my family. As an Independent Xango Distributor, I have the benefit of being able to be a stay at home Mom and have a small business. If this Rule is put into effect it WILL DESTROY my small business and the financial stability, for myself and for other distributors of the team.

Some of the sections in the proposed rule would make it very hard and or almost impossible for me to sell my Xango product.

This waiting period will give the public an idea that something is wrong with me or our plan. I also think this seven day waiting period is totally unnecessary, because Xango already has a 90% buyback policy for all products.

I have seen many scams on the internet and have been approached by many crooks. This rule will not stop crooks and they already violate the current rule all the time. I am a Good American Citizen and it will hurt me. Thank you and please HELP me.

Sincerely,

Vanessa Vasquez
