

**Dear Sir or Madam:**

**I am writing this letter because I am concerned about the proposed Business Opportunity Rule R511993. I believe that in its presented form, it could prevent me from continuing as an independent distributor for XanGo and destroy my small business.**

**I have been an independent distributor for XanGo for three years. I started my Network Marketing because of the product. I loved it wanted to earn some additional money. I am a single parent and my family now depends on this extra income. Please don't destroy my small business. We need it!**

**Some of the sections in the proposed rule would make it hard or almost impossible for me to sell my XanGo product.**

**The waiting period will give the public the idea that there's something wrong with me or our plan and will reflect badly on me. I also think the seven day waiting period is unnecessary because XanGo has a 90% buy back policy for all products.**

**The proposed rule requires the disclosure of a minimum of ten prior purchases nearest to the prospective purchaser. I am glad to provide references but I am uncomfortable giving out personal information of individuals to strangers.**

**I have heard of many scams on the Internet. This rule will do nothing to stop them. They hurt my business! This rule will not stop crooks; they violate the current rule all the time. I am a good American citizen and it will hurt me.**

**Thank you and Please help me.**

**Sincerely,**

**Blanche Purdy**
