Quixtar sends me a 1099 for tax purposes NOT a W-2.

Are you suggesting that every Human must wait 7 days for Every purchase we make from ANY Business?

@2. Is it your intention to make Every Businessman give a potential customer a list of 10 of his Competitors?

#3. I did NOT buy someone else's Business Legal or otherwise.. I Bought MY Own Independent Business.

#4. What Businessman is required to disclose his Personal Financial Statement to a Customer or Client before doing Business?
