Re: Business Opportunity Rule, R511993

Dear Sir or Madam:

We have been distributors of Shaklee products for ⁹~~18~~ years. This letter is to tell you that I am strongly against the proposed Business Opportunity Rule. Please know that this proposed rule would cause undue hardship in the regular day-to-day running of our legitimate direct selling business, and create a huge and unnecessary burden for us.

While I understand that the intent is to protect the public from fraud, this proposed new rule would have serious consequences for ourselves and the thousands of people who are in the direct selling business. Surely there are less burdensome alternatives for your agency to achieve the goals you wish to reach.

Thank you,

Sincerely
[REDACTED]
