Dear Sir or Madam:

Re: Business Opportunity Rule R511993

I am writing because I am concerned about the limits this rule would put on Direct Sales, MLM, and Party Plan businesses. I am in a MLM home based business and I believe that this rule would adversely affect my family's ii and well being as well as affecting others in these types of businesses. Please do not put this rule into effect.

This rule includes many things that are not asked of any other business, and unfairly targets one aspect of sales. incorporate this rule for Direct Sales businesses it would be easier to buy a car, house or gun than it would be to products from someone who does direct sales. I believe that the proposed application of this rule to my business constitutes an unjustified overreaching. Please reinstate at least a \$500 exemption.

I appreciate the work that the FTC does to protect consumers, yet I believe this proposed new rule has many uni consequences, and there are less burdensome alternatives available to achieving your goals.

Sincerely,
