Re: Business Opportunity Rule, R511993
600 Pennsylvania Avenue NW
Washington, DC 20580

Dear Sir or Madam:

It has been brought to my attention that the proposed Business Opportunity Rule, R511993 in its present form would prevent me from continuing as an Associate with Mannatech and several other companies that I represent. As this would destroy my small business, I would appreciate you rescinding or change this ruling completely. Thank you for your consideration.

Sincerely,
