Janis

A couple of our allies have asked me questions about our recent comments on COPPA (here: <http://www.aclu.org/free-speech/aclu-letter-ftp-first-amendment-concerns-regarding-child-online-privacy-protection-rule>) and what it means for our broader support for FTC efforts to update the regulations. Given those questions I just wanted to touch base with you to make sure you and the commissioner know that our issues are limited to the speech issues we identified in our letter. We completely support the changes to the COPPA regulations around expanding the definition of PII and the other items we discussed in these comments: [http://www.aclu.org/files/assets/ftp\\_coppa\\_rules\\_letter.pdf](http://www.aclu.org/files/assets/ftp_coppa_rules_letter.pdf)

Please let me know if you have any questions or I can clarify anything. Thanks.
