Anna,

I'm sorry to hear that the scheduling won't work but certainly understand the challenge. We've had meetings with the other offices and have found it productive to talk through these issues, so please don't hesitate to let us know if we can be helpful in any way as you and Commissioner Ohlhausen continue to work through these issues.

In the meantime, I hope you have a great Thanksgiving.

Rob

Rob,

I just had a chance to go over Commissioner Ohlhausen's calendar with her and realize that tomorrow afternoon is not available. She is out of the office after tomorrow and has several cases with pending deadlines, so I can't offer you a rescheduled time. She asked to assure you that she has reviewed your comments and will keep the concerns expressed in mind as she evaluates the proposed changes to COPPA. Thanks for understanding.

Anna,

I just wanted to follow up on my note below. Facebook's Chief Privacy Officer Erin Egan and I would be very interested to come in to speak with you and with Commissioner Ohlhausen, if she is available, about the FTC's COPPA proceeding. We've met or have scheduled meetings with several of the other offices, so please feel free to let me know if it might make sense for us to set up a time to speak.

Thanks again.

Anna,

I enjoyed the opportunity to meet with you and Commissioner Ohlhausen earlier this year to discuss COPPA and was glad to hear that her visit to our office in Menlo Park went well. I know that we did not have an opportunity to speak in depth about the Commission's COPPA proceeding and were hoping that it might be possible for Erin Egan and me to come to speak with you, and the Commissioner if she is available, to address some points that we raised in our comments. If this would be helpful, would you mind letting us know when it might be convenient for us to come by?

Thanks so much.

Rob
