Spyware in my opinion is not only annoying, disruptive, and dangerous – IT IS CRIMINAL.

If I started some “new” deal where whenever you were talking on you telephone – and I could BLURT OUT verbal advertisements, and listen to all YOUR calls – what would that be?

Spyware and adaware is NO different. It’s MY equipment and I PAY to use it – for MY use only.

PLEASE do whatever you can to get this vandalism STOPPED, please.
