

adjustment to the threshold is based on the Consumer Price Index for All Urban Consumers published annually by the U. S. Department of Labor. For disasters declared on January 1, 2002 through December 31, 2002, the qualifying threshold is \$102 per capita of State population.

We base the adjustment on an increase in the Consumer Price Index for All Urban Consumers of 1.6 percent for the 12-month period ended in December 2001. The Bureau of Labor Statistics of the U.S. Department of Labor released the information on January 16, 2002.
