Mike - following up on my voice mail . . . and just playing out various options,

Having withdrawn and refiled once, a party can withdraw and refile a second time, but would need to pay a new filing fee to do so. Since the filing fee is being paid again, I assume that there would be no requirement to refile within two business days.

If, at the end of the waiting period started by that second withdraw / refile (accompanied by the new fee), a party decides to withdraw and refile yet again, can it do so without a fee? I guess the question is whether the position is each time you pay a fee allows for one free withdrawal / refile, or whether there is only one free (i.e., no fee involved) withdrawal / refile for any given transaction.

Thanks,

[REDACTED]

YES - NO FEE FOR SECOND WITHDRAWAL / REFILE.
