Subject: Filing questions

With the changes with respect to unincorporated entities, I have run into a couple of small questions in my completing the form.

First, looking at 3(b)(iii) - do I need to include the dollar value of the assets held by an unincorporated entity? I ask because this 3(b) clearly requires a dollar amount and this section doesn't appear to. - No

Next, looking at item 6(a) and (c) - if the filing party is an unincorporated entity, is it required to complete this section (to the extent it applies)? I ask because it is our recollection that item 6 was not be completed by unincorporated entities because the acquisition of unincorporated interests was treated as an asset acquisition. I am inclined to believe that unincorporated entities now are subject to item 6, to the extent applicable, given the recent changes, but I seek confirmation. - YES

Thank you very much.
