Subject: Short Question

Mike,

If an unincorporated entity (e.g., partnership) distributes voting securities or assets in a controlled entity to the partnership's partners, would a partner that controls the partnership be required to file HSR for the acquisition of the stock or assets?

Example: An investment fund distributes stock of a controlled corporation to its partners on a pro rata basis. One of the partners controls the fund. Does that partner have to file HSR to acquire his share of the stock?

Thanks loads.
