Subject: RE: Item 6c

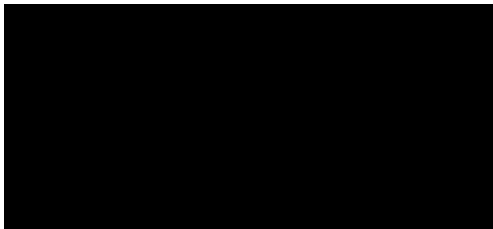

If it doesn't sell into the US it would not be reported

Subject: Item 6c

This may be obvious but does one need to respond to Item 6c if one holds a minority interest in an entity that operates in the same industry as the filing person but does so only outside the US?

It would seem not since such an entity would not have operations in any NAICS code at all but I wanted to confirm.

Thanks.
