**Subject:** RE: HSR Signature

Yes, any officer or director of the UPE or of a controlled entity within it authorized to execute on the UPE's behalf may sign the Certification. And no, it need not be the same person who signs the Affidavit.

[REDACTED]

Good morning:  
Many any authorized executive or director of a company sign the HSR form?  
Does the person who signs the HSR form have to be the same person that signs the affidavit?  
Thank you,
