Thank you for asking. He should sign both boxes – the certification box and the penalty of perjury box.  
Best regards,

**Subject:** A simple question

I have a simple procedural question.  
I will be making a filing hopefully on Tuesday. My question concerns the Certification. If our client will be swearing under penalty of perjury, does he sign in both boxes ? Or does he just sign the second box ?  
Wishing everyone a nice long weekend.
