

**BEFORE THE FEDERAL TRADE COMMISSION****In the matter of FTC DOCKET NO. D09438****HIWU****Vs.****Michael Hewitt (Trainer)****MICHAEL HEWITT'S APPLICATION FOR LEAVE  
TO FILE SUBMISSIONS ONE DAY LATE**

Per the administrative rule, CP urges good cause exists to grant a one-day extension. November 18 was the deadline. No prejudice will occur. The sanctity of contemporaneous filing is preserved. Counsel has not looked at e-mail, where presumably HIWU's timely submissions will appear, sent to me per the Rules, unopened since yesterday.

Counsel is a sole practitioner. I set aside two days for this very extensive labor-intensive project. Unfortunately, a reoccurring back injury prevented me from keyboarding this weekend (and most of last Friday). Keyboarding is my regular method for composition. I tried to finish yesterday by close of business but was physically unable. The Brief filed one-day late still needs a citation. Leave is respectfully requested to supplement that citation.

WHEREFORE Covered Person requests the deadline be extended one day.
