6/5/2024	FOIA-2024-01183	Southwell, Jenni	Other	I was in a credit consolidation with a company several years ago. I do not remember the name of that company, but I was paying them every month to negotiate down my debt and improve my credit score. I received a letter from FBI informing me they were being investigated for fraud and to stop payment and wait for further correspondence from FBI. I never heard from either parties but I have moved a few times since perhaps the letter was mailed to an old address. In the meantime, I've had credits that I did not apply for. I've had my current credit cards breached many times where I had to report it stolen. I am in constant stress because this ordeal has kept my credit score very low in the 500's irregardless if I paid off a balance or not. I am constantly being denied for credit for the low credit score. I am a victim of identity and fraud and I need your help. First I need to know where that investigation is at and if money were recouped to be returned to me. Second, I need to know how I can clean up my credit score and lock and secure my identity going forward because even when I paid everything off, a debt or delinquency was still popping up under my name. I can provide you with my social security for further aide. I will scour through my past email if I can recall the name of the debt consolidation company that FBI investigated on. I would greatly appreciate your assistance in helping me with this matter. Thank you so much. Jenni Southwell	Self	D(5)

6/17/2024	FOIA-2024-01242	Aamot, Colin	News Media	<p>Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: Documents sufficient to account for all GLOMAR FOIA responses issued by the agency from 1 January, 2024 to present, along with a copy of the original FOIA request the GLOMAR was issued in response to. Search Instructions: Please limit all searches in response to this Request from January 1, 2024, to the present. Please include the full email chain and attachments relevant to any responsive documents to provide further context. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. As an investigative columnist and author, my request is in the public interest to inform the public regarding the agency's policies and procedures on the national stage relevant to the agency's operations such as hiring, personnel retention, fraud, waste and abuse, etc.</p>	-	(b)(6)

This request seeks company names to identify past, or closed, second request merger investigations, not those that are ongoing or current. Therefore, the law enforcement exemption to the FOIA should not apply. Federal agencies routinely process FOIA requests and disclose targets of past closed law enforcement investigations. In addition, these are civil investigations of corporations. Corporations do not have a privacy right. Therefore, the personal privacy exemption to the FOIA does not limit disclosure. 7/9/2024	FOIA-2024-01345	Brantley, Cheryl	Other	<p>On 03/25/2024 an unauthorized debit was made on my Bank debit card for \$19.00 from an unknown website: whop.com. My bank investigated and determined I did not make that charge and refunded the money back to my account on 04/04/2024. I received an alert by email from Credit Karma pertaining to a hard inquiry being added to my credit report. I immediately contacted Equifax and disputed the allegation. Equifax told me to reach out to Builtwell Bank to see what I needed to do after the decision was it would still be on my credit report for up to 2 years. I am currently in bankruptcy, and I fully understand that opening any new line of credit will jeopardize my case and cause dismissal from my bankruptcy. Someone, other than myself, applied online for a new line of credit with a bank named Builtwell Bank in Chattanooga, TN on April 01, 2024. I have made multiple calls between April 12- May 19, 2024 to Builtwell Bank (866)668-4700 providing my identifying information and that I am a victim of identity theft and requesting to get the hard inquiry removed from my credit report. I was finally about to speak to the right person 06/07/24 from Builtwell Bank Mr. Tucker Mosteller Assistant Compliance Officer and investigated the matter and stated, "The bank has submitted several requests to have the hard inquiry removed from my credit report." He proved me at my request with an email and signed letter mailed to my physical address. As of today's date 07/08/2024 the hard inquiry still appears on my credit report. I spoke with Equifax on 07/08/2024 and was told to get a copy of the report and mail it to their physical address to get the hard inquiry removed from my credit report. I have informed my bankruptcy attorney of what is on-going. (Date Range for Record Search: From</p>	-	D(6)

8/7/2024	FOIA-2024-01568	Jacob, Biju	Commercial Organization	1. I took a loan from World Business Lender (WBL) on January 2019 for \$75k. Didn't realise that there was a prepayment penalty until too late. Closing document was signed for this loan, remotely by a remote closing title company. The APR on the loan was 70%, Could you imagine? 70% Annual Percentage Rate. 2. I called WBL to make the payoff in March or April of that year, but was denied because of prepayment and told that I cannot pay off the loan before 2yrs. 3. According to the Title of the house, recorded in Cook county, the lien was recorded on 10/28/ 2021 in the amount of \$75k. 4. The lawsuit was filed on 06/28/2021 and the judgement for foreclosure was entered on 1/30/2023 in the amount of \$160k 5. I received multiple emails detailing the balance as \$360k... What in the world is going on? So my mistake was that I applied for a loan with WBL and accepted their offer, without knowing the prepayment penalty? Is WBL known as a World Business Lender providing Loans? Isn't their business relying on other businesses? I come from a third world country and run a small business here. So I need a feasible solution to make payoff or to accept a settlement. I cannot accept these balances being asked of me without any consciousness. Thank you! 8/8/2024	FOIA-2024-01578	(b)(6)	Other	A Mercury Credit Card account was opened on March 4, 2024 in my name. This account was not opened by me. I recently noticed a significant drop in my credit score on August 4, 2024 and figured out this account was opened fraudulently. I called Mercury Credit and they successfully closed the account. I got a call the following day from Mercury Credit asking me to pay a 111 day old debt of approximately \$600 and some change. I told them the account had been reported the day prior as fraudulent and they told me I would not need to pay that amount and Mercury Credit would be reporting the incident and suggested I contact the FTC, the 3 major Credit Bureaus, and file a Police report. During this time, my wife and I were in the process of applying for a personal loan, which was denied. This is what prompted more research and determining my credit score had dropped over 100 point in the last two months. After doing more research about information needed to open a credit card account, it requires much more information than just a name and phone number. Due to the amount of personally identifiable information that is needed to open a credit card account, I am concerned, and believe I am a victim of Identity Theft. The last four numbers of the Mercury Credit Card account is (b)(6). While on the phone with Mercury Credit, they would not provide me the entire account number or account balance and advised me once a Police Report is filed and the FTC is notified, the account number can be made available to either Law Enforcement and/or the FTC to assist with furthering their investigation. I am amicable to a rolling production as records are available. I request all responsive documents be delivered electronically, via email. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to", "referring", "relating", or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Please limit all searches to the full calendar month of August, 2024, starting from 00:00 on 1 August, 2024 to 11:59 PM on August 31, 2024. Search Instructions: Please include the full email chain, and all attachments for potentially responsive documents. Please search all email inboxes assigned/issued/used by the custodian, regardless of classification, such as NIPR, etc.</p>	-	D(13)
